- Applying for college just got easier. **Canyons School District is now partnering with Parchment, an online system for ordering high school transcripts.** Starting this spring, CSD high school students can order electronic copies of their official transcripts with a push of the button. They can also use the system to electronically send their transcripts to the college or university of their choosing and track the request to ensure the document arrives at its destination. For now, there is no limit to the number of transcript requests students are allowed. The service is free-of-charge for currently-enrolled students and available to graduates for a small fee. Parchment is used by roughly 98 percent of the country's colleges and universities and should dramatically streamline the college application process for students. It's also a time-saver for schools and will spare them from having to prepare and mail thousands of paper transcripts each year. This week, an email will be sent to all high

Be Great, Miss Less Than Eight

Attendance Matters!

As a parent or guardian, it is possible to plan ahead in order to limit your child's absences, make school attendance a priority, and help your child from falling behind if it is necessary to miss a day of school. You can do this in the following way:

Finish the School Year Strong!

Lead by Example

Kids learn by example, and are quick to adopt our attitude. If your child hears you talking about how you wish it was summer, or how you can't wait for school to be over, he/she is likely to adopt that mindset. Avoid speaking negatively about school, homework, etc. in front of your child. It will be harder for your child to put forth his best effort if he thinks you don't care, don't like school, etc. (Scholastic Magazine_

- **If your student has an NG from the current trimester**, they can make up the attendance by working with the teacher with whom they have passed the attendance threshold of 6 tardies or 6 absences. Teachers are available M, W, F from 7:00am to 7:40am for BHS time.
- **If your student has an NG from a previous trimester or year**, encourage them to meet with their assistant principal to develop a plan from our attendance recovery options. You can contact your assistant principal at the following email address:
