

**Hey Bengals!**

**Welcome back to the jungle! We hope you had a great summer and we can't wait to see you in the next few weeks. Whether this is your first year, last year, or somewhere in between, we encourage you to go to the games, attend performances, join a club or team, or even try a new elective. We've been amazed at how hardworking and dedicated you have been through past years and can't wait to see the amazing things you accomplish at Brighton this year.**

**This years school theme is "Stand Together." The theme was chosen because we would like to increase unity and kindness in our school. Life is not easy- we all have struggles and things we have to overcome- so let's make Brighton a welcoming place for everyone. Stand up, stand out, and "STAND TOGETHER"!**

**As you prepare to come back to school, think about how you can make your high school experience better for you and your peers. We are excited for the 2018-19 school year and can't wait to see you back in the circled halls of Brighton High!**
